

Phase 1

1. Existing Tables & Fields

Department Table:

The screenshot shows the 'Department - Create New record' form in the servicenow application. The form is titled 'Department - Create...' with a star icon. The top navigation bar includes 'All', a menu icon, and a 'Submit' button. The form fields are as follows:

Field	Value
Number	DEP0001011
Department Code	
Department Name	
HOD Name	
Floor Number	1

A 'Submit' button is located at the bottom left of the form.

Doctor Table:

The screenshot shows the 'Doctor - Create D...' form in the servicenow application. The form is titled 'Doctor - Create D...' with a star icon. The top navigation bar includes 'All', a menu icon, and a 'Submit' button. The form fields are as follows:

Field	Value
Number	DOC0001063
Doctor ID	
* Doctor Name	
* Phone	
* Specialization	
* Email	
* Department	
Availability	☐

The 'Advanced' section is collapsed, indicated by a downward arrow. The fields in this section are:

Field	Value
Add Qualification	
Years of Experience	
Room Number	
Consultation Mode	
Joining Date	

A 'Submit' button is located at the bottom left of the form.

2. Existing Users, Roles, & Groups

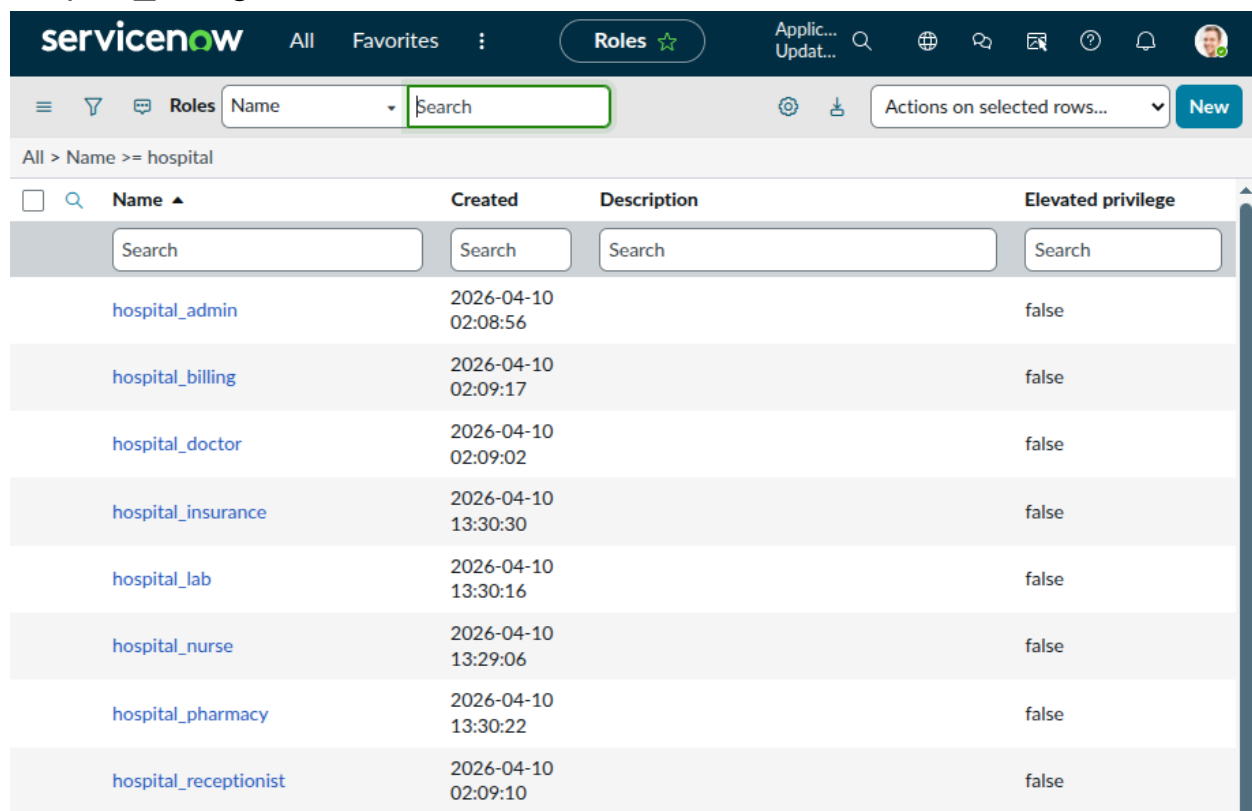

Users: Receptionist, Doctor, Billing Staff, Admin

The screenshot shows the ServiceNow 'Users' page. The header includes the ServiceNow logo, navigation tabs (All, Favorites, Users), and a search bar. The main table lists four users: Admin, Billing Staff, Doctor, and Receptionist. Each row contains columns for Name, User ID, Email, Gender, Active status, Created date, and Updated date.

Name	User ID	Email	Gender	Active	Created	Updated
Admin	Admin_User_1	Admin@gmail.com		true	2026-04-10 02:08:38	2026-04-13 03:08:34
Billing Staff	Billing_Staff	BillingStaff@gmail.com		true	2026-04-10 02:08:20	2026-04-13 03:08:47
Doctor	Doctor_User	Doctor@gmail.com		true	2026-04-10 02:07:44	2026-04-13 03:09:06
Receptionist	Receptionist_User	Receptionist@hospital.com		true	2026-04-10 02:07:08	2026-04-13 03:09:16

Roles: hospital_admin, hospital_doctor, hospital_receptionist, hospital_billing

The screenshot shows the ServiceNow 'Roles' page. The header includes the ServiceNow logo, navigation tabs (All, Favorites, Roles), and a search bar. The main table lists eight roles: hospital_admin, hospital_billing, hospital_doctor, hospital_insurance, hospital_lab, hospital_nurse, hospital_pharmacy, and hospital_receptionist. Each row contains columns for Name, Created date, Description, and Elevated privilege.

Name	Created	Description	Elevated privilege
hospital_admin	2026-04-10 02:08:56		false
hospital_billing	2026-04-10 02:09:17		false
hospital_doctor	2026-04-10 02:09:02		false
hospital_insurance	2026-04-10 13:30:30		false
hospital_lab	2026-04-10 13:30:16		false
hospital_nurse	2026-04-10 13:29:06		false
hospital_pharmacy	2026-04-10 13:30:22		false
hospital_receptionist	2026-04-10 02:09:10		false

Groups: Admin Team, Doctors Team, Reception Team, Billing Team

Phase 4

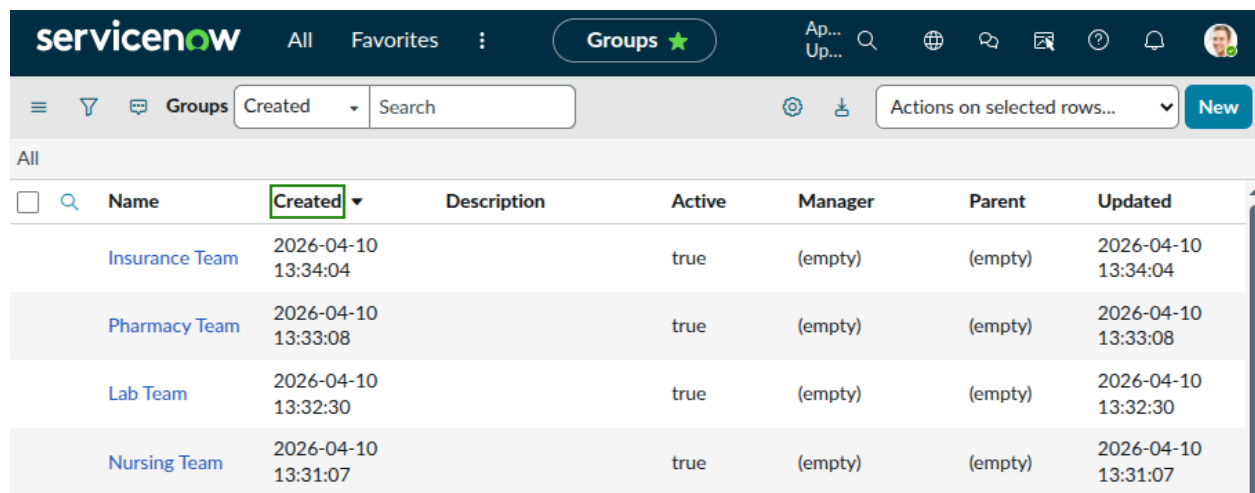

Create Roles: hospital_nurse, hospital_lab, hospital_pharmacy, hospital_insurance.

The screenshot shows the ServiceNow Roles page. The header includes the ServiceNow logo, navigation tabs (All, Favorites, Roles), and a search bar. The main content area displays a table of roles. The table has columns for Name, Created, Description, and Elevated privilege. The roles listed are hospital_insurance, hospital_pharmacy, hospital_lab, and hospital_nurse, all created on 2026-04-10 with elevated privilege set to false.

Name	Created	Description	Elevated privilege
hospital_insurance	2026-04-10 13:30:30		false
hospital_pharmacy	2026-04-10 13:30:22		false
hospital_lab	2026-04-10 13:30:16		false
hospital_nurse	2026-04-10 13:29:06		false

Create Groups: Nursing Team, Lab Team, Pharmacy Team, Insurance Team.

The screenshot shows the ServiceNow Groups page. The header includes the ServiceNow logo, navigation tabs (All, Favorites, Groups), and a search bar. The main content area displays a table of groups. The table has columns for Name, Created, Description, Active, Manager, Parent, and Updated. The groups listed are Insurance Team, Pharmacy Team, Lab Team, and Nursing Team, all created on 2026-04-10 with Active status set to true and Manager/Parent set to (empty).

Name	Created	Description	Active	Manager	Parent	Updated
Insurance Team	2026-04-10 13:34:04		true	(empty)	(empty)	2026-04-10 13:34:04

Data Policies

Policy 1 (Patient): Make Patient Name, Phone Number, and Gender mandatory (Must work even during import).

The screenshot shows the 'Patient - Create PA...' form in ServiceNow. The header bar includes the ServiceNow logo, 'All', a menu icon, and a 'Patient - Create PA...' button with a star icon. The breadcrumb trail shows 'Patient' and 'New record'. The form contains two red error messages: 'Data Policy Exception: The following fields are mandatory: Phone, Patient Name, Gender' and 'Invalid insert'. The form fields are arranged in two columns. The left column includes 'Number' (PAT0001036), 'Patient Name' (empty), 'Gender' (dropdown menu showing '-- None --'), 'Address' (empty), and '* Admitted Date' (2026-04-14 with a calendar icon). The right column includes 'Patient ID' (empty), 'Age' (empty), 'Phone' (empty), 'Blood Group' (dropdown menu showing '-- None --'), and 'Patient Type' (dropdown menu showing 'IPD'). A 'Submit' button is located at the top right of the form.

Number	PAT0001036	Patient ID	
Patient Name		Age	
Gender	-- None --	Phone	
Address		Blood Group	-- None --
* Admitted Date	2026-04-14	Patient Type	IPD

Policy 2 (Doctor): Make Doctor Name, Department, and Specialization mandatory.

The screenshot shows the 'Doctor - Create D...' form in ServiceNow. The header bar includes the ServiceNow logo, 'All', a menu icon, and a 'Doctor - Create D...' button with a star icon. The breadcrumb trail shows 'Doctor' and 'New record'. The form contains several fields, some of which are marked as mandatory with a red asterisk. The left column includes 'Number' (DOC0001064), '* Doctor Name' (empty), '* Specialization' (empty), and '* Department' (empty with a search icon). The right column includes 'Doctor ID' (empty), '* Phone' (empty), 'Email' (empty), and 'Availability' (checkbox). A 'Submit' button is located at the top right of the form.

Notif 1: When a Lab Request is created → Notify the Lab Team.

The screenshot shows the ServiceNow interface for configuring a notification. The header includes the ServiceNow logo, a navigation menu, and a search bar. The main title is 'Notification - When a Lab Request is created'. Below the title, there are three bullet points: 'When to send the notification', 'Who receives the notification', and 'What content is in the notification'. The configuration fields are as follows:

- Name:** When a Lab Request is created
- Application:** Global
- Table:** Lab Test Master [u_lab_t...]
- Active:** ☒
- Mandatory:** ☐
- Category:** Uncategorized

A digest combines and summarises multiple updates for a single or multiple target records within a set time interval.

Allow Digest ☐

The screenshot shows the 'Who will receive' tab in the ServiceNow Notification configuration page. The tab is highlighted in green. Below the tab, there is a blue box with the text: 'Notifications can be sent to specific Users and Groups or to User/Groups in fields on the record that generated this notification.' The configuration fields are as follows:

- Users:** ☐ ☐
- Groups:** ☐ × Lab Team
- Users/Groups in fields:** ☐
- Subscribable:** ☐

Phase 6

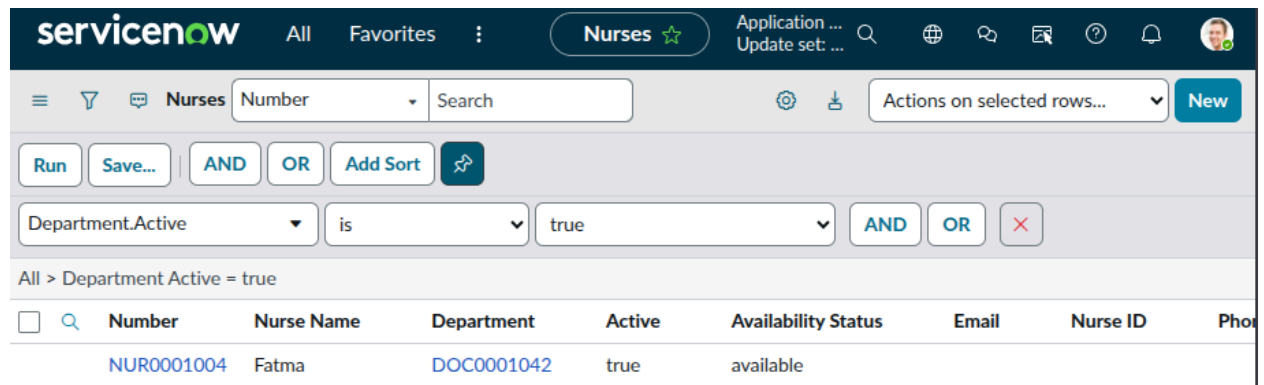

Task 1 (Appointment Table): Doctor field should show only active/available doctors.

The screenshot shows the ServiceNow interface for the 'Doctors' table. The top navigation bar includes 'servicenow', 'All', 'Favorites', and a 'Doctors' tab. Below the navigation bar, there is a search bar and a filter bar. The filter bar shows a filter for 'Availability' with the value 'true'. The table below lists four doctors, all with 'Availability' set to 'true'.

Doctor Name	Doctor ID	Specialization	Phone	Email	Department	Availability
Dr. Youssef	DOC9905	Electrophysiology	1118833399	youssef@clinic.com	DEP0001010	true
Dr. Thomas	DOC9919	Geriatric Cardio	1009944422	thomas@clinic.com	DEP0001010	true
Dr. Hana	DOC9910	Valvular Disease	1226622277	hana@clinic.com	DEP0001010	true
Dr. David	DOC9909	Cardiac Rehab	1117711188	david@clinic.com	DEP0001010	true

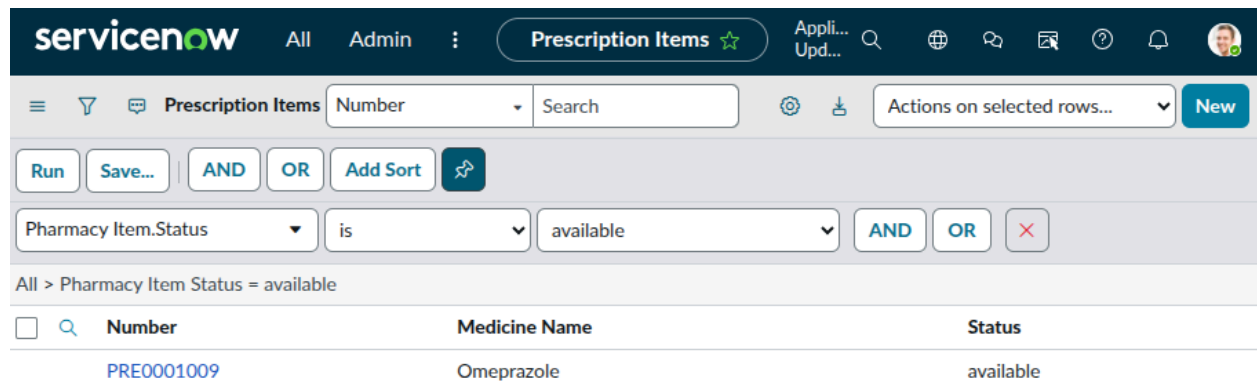

Task 2 (Nurse Table): Department reference should show only active departments.

The screenshot shows the ServiceNow interface for the 'Nurses' table. The top navigation bar includes 'servicenow', 'All', 'Favorites', and a 'Nurses' tab. Below the navigation bar, there is a search bar and a filter bar. The filter bar shows a filter for 'Department.Active' with the value 'true'. The table below lists one nurse, 'Fatma', with 'Department.Active' set to 'true'.

Number	Nurse Name	Department	Active	Availability Status	Email	Nurse ID	Phone
NUR0001004	Fatma	DOC0001042	true	available			

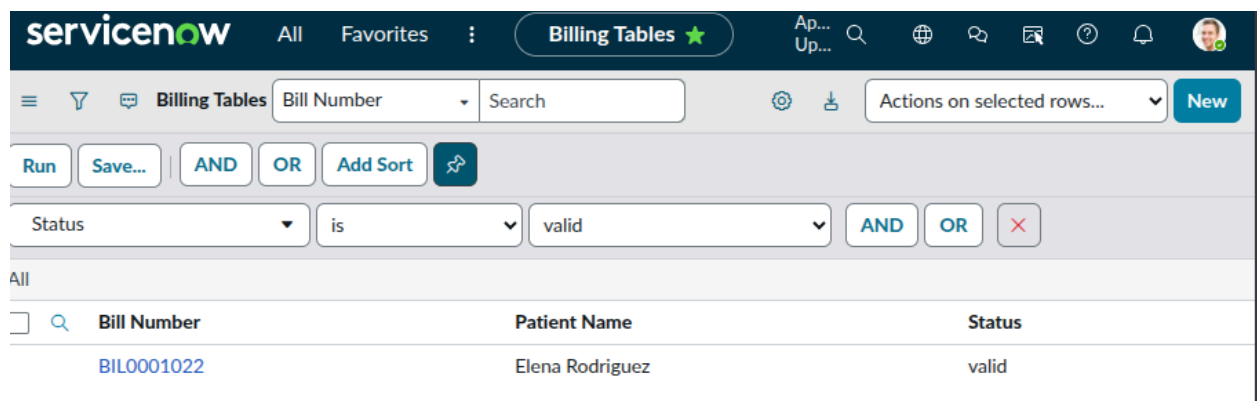

Task 3 (Prescription Item): Pharmacy Item should show only active medicines.

The screenshot shows the ServiceNow interface for the 'Prescription Items' table. The filter 'Pharmacy Item.Status is available' is applied. The table contains one record with the ID PRE0001009, Medicine Name Omeprazole, and Status available.

Prescription Items		
Number	Medicine Name	Status
PRE0001009	Omeprazole	available

Task 4 (Billing Table): Patient Insurance should show only active insurance records.

The screenshot shows the ServiceNow interface for the 'Billing Tables' table. The filter 'Status is valid' is applied. The table contains one record with the ID BIL0001022, Patient Name Elena Rodriguez, and Status valid.

Billing Tables		
Bill Number	Patient Name	Status
BIL0001022	Elena Rodriguez	valid
